

SANDBOX 3rd EDITION

PROJECT PROPOSAL

INTER SCHOOL BUSINESS PITCHING COMPETITION

PROPOSED BY:

The Entrepreneurship Club of APIIT

ABOUT

SANDBOX.

Sandbox 2026 is the third edition of APIIT E-Club's inter-school business pitching competition, designed to inspire young entrepreneurs across Sri Lanka.

With Ministry of Education approval, the competition will offer students a recognized platform to develop, pitch, and showcase innovative business ideas.

Sandbox brings together students, mentors, judges, industry professionals, and potential investors to support youth-driven innovation and entrepreneurial growth.

THEME

The theme for Sandbox 2026,

A BETTER TOMORROW

Encourages students to identify real challenges within the country and develop innovative business solutions that create meaningful impact.

By promoting purpose-driven entrepreneurship, Sandbox 2026 aims to empower young innovators to transform ideas into sustainable solutions that contribute to a stronger, more resilient Sri Lanka.

OBJECTIVES

Provide students with a professional platform to pitch creative and impactful business ideas.

Encourage entrepreneurial thinking by helping students build confidence, communication, leadership and problem-solving skills.

Create meaningful connections between students, mentors, industry leaders, entrepreneurs and potential investors.

PROJECT AIM

Sandbox 2026 aims to empower school students by giving them a competitive platform to develop, present, and refine innovative business ideas.

The project connects young entrepreneurs with mentors, judges, investors, and industry professionals, creating opportunities for learning, exposure, and real-world growth.

PROJECT STRUCTURE

1

WORKSHOPS

Interactive workshops will introduce students to idea development, business models, pitching techniques and entrepreneurial thinking.

PRELIMINARY ROUND

Participating teams will present their business concepts before a judging panel. Teams will be evaluated based on innovation, feasibility, creativity, market potential, presentation quality and social impact.

2

3

SEMI - FINALS

Selected teams will advance to the semi-final stage where they will further develop and refine their business concepts with guidance and feedback from mentors and judges.

GRAND FINALE

The top 15 teams will compete in the final round before an audience comprising sponsors, industry professionals, investors, academics and guests. The competition will conclude with an awards ceremony recognising outstanding ideas and entrepreneurial excellence.
